DR. GREEN CONFESSED INTERURBAN HAPPENINGS

Shot Mrs. Tippen Because She Would Not Marry.

Dr. Green who is charged with the murder of Mrs. Tippen at Weston last week, has confessed to Sheriff Reece that he killed the woman because she would not marry him.

He has retained Attorneys P. J. Chase and A. R. Campbell to defend him. It is said by those who know Green that there is reason to doubt his sanity, but it is not known if this will be his plea.

HONORED THE BRAVE.

Perrysburg People Properly Observed Decoration Day.

With flowers, music and speech the people of this place honored the memory of their soldier dead on Tuesday.

In the morning the soldiers marched to the town hall where they were provided with bouquets and with the music of the martial band, and old glory heading the procession they marched to the city of the dead and decorated the graves of their fallen comrades.

In the afternoon the W. O. W. band headed the column of veterans and escorted the speaker, Judge Handy of Ottawa, to the hall where the usual programme was rendered before a large audience.

A selection of patriotic airs was rendered by the W. O. W. band in a manner that was highly pleasing after which the quartette consisting of Mrs. A. R. Williams, Mrs. F. C. Eberly, Messrs. Chas. F. Chapman and C. P. Champney rendered a beautiful vocal number which was followed with prayer by Rev. Matthews.

Mr. C. F. Chapman, who acted as chairman then introduced Judge Handy of Ottawa, who was the speaker of the day. The Judge seemed pleased to be present if for no other reason than the fact that he had served in the 67th O. V. I., and in Co. H. which was made up of Wood county boys, many of whom were from Perrysburg. The Judge made an excellent address which was somewhat out of the usual lines taken for such occasions, but which contained much that was instructive concerning the part the early war in this section had to do with the results of the war of the rebellion, and then spoke of the causes that lead to that war and the glorious results obtained by the great sacrifice made by the boys in blue.

Judge Handy closed his speech with a touching tribute to the members of the 67th Reg't who lie buried in the Perrysburg cemeteries by reading their names and referring to them in a manner best understood by comrades who have braved the same dangers.

The names are:
Lieut. Geo. N. Parsons
" Harry J. Carter
Sergt. Daniel Frazer
" Henry Wygant
" G. W. Cummins
Chas. W. Chappell
Joseph Croft
Michael Dibert
Noble Dibert
Wm. Hickler
Edward O'Connor

The Quartette sang that old-time favorite "Tenting to-night" which always goes deep into the soldier's heart and which touches the tender spot of every patriotic citizen. The last musical selection was that soul inspiring National hymn "America" which was sung by the audience with the quartette leading and Miss Chapman as accompanist.

The benediction by Rev. Matthews closed the day's ceremonies.

WATER WORKS BOARD

Appointed by Mayor and Confirmed by Council.

At the last meeting of the Council Mayor Kingsbury presented the names of three citizens of the village for confirmation as members of the Board of Water Works trustees—Messrs. N. L. Hanson, C. L. Koch and George Munger.

The names presented were immediately confirmed by the council and to these three gentlemen is assigned the duty of laying the foundation and inaugurating the first great public improvement that has been undertaken by the municipality, except, perhaps, the Perrysburg Gas plant.

The Board is composed of men of excellent character and business ability who can be relied upon to do their utmost to render to the people a good account of the trust confided in them. Much depends upon their action and every citizen should stand ready to render every possible assistance, when their assistance is needed, and can be of benefit to the village and the improvement under consideration.

DEATH OF MRS. O. N. GUNN

Mrs. O. N. Gunn died at her residence in Maumee, Wednesday evening, May 24, after an illness of several months duration. Mrs. Gunn had been a resident of Maumee for the past forty years and has during that period been very prominent in church circles and was a prominent member and worker in the Women's Relief Corps. A few months ago the sudden death of an adopted son caused the illness that resulted in her death.

She was the surviving member of a family of three children, being the daughter of Thomas and Ellenor Davis, born at Grand Rapids in 1836, and was married to Willard Gunn at Waterville, Ohio, in 1856, and after a wedded life of four years he died. In 1864 she was united in marriage to Capt. O. N. Gunn, a cousin of her first husband, while he was home on a furlough from the war.

Mrs. Gunn had been a member of the Presbyterian church of Maumee since 1873 and was an active worker.

Funeral services were held from the Presbyterian church at Maumee, Saturday morning at 10:30, Rev. A. A. Griffin officiating. Interment at Riverside cemetery.

THE GOOD OLD WAY.

A severe cold or attack of la grippe is like a fire, the sooner you combat it the better your chances are to overpower it. But few mothers in this age are willing to do the necessary work required to give a good old-fashioned reliable treatment such as would be administered by their grandmothers, backed by Boschee's German Syrup, which was always liberally used in connection with the home treatment of colds and is still in greater household favor than any remedy. But even without the application of the old-fashioned aids German Syrup will cure a severe cold in quick time. It will cure colds in children or grown people. It relieves the congested organs, allays the irritation, and effectively stops the cough. Any child will take it. It is invaluable in a household of children. Trial size bottle, 25c; regular size, 75c. For sale by Bowers & Comstock.

G. A. R. ENCAMPMENT

Will be Held at Washington C. H., June 6-9.

All roads will lead to Washington C. H., Ohio, next week. The annual State Encampment, Department of Ohio, will be held there June 6, 7, 8 and 9, and everything indicates that the largest and most interesting state encampment held in years will be enjoyed by the thousands of old veterans of the G. A. R., its auxiliary organizations and their friends who will gather in that pretty and enterprising Ohio city.

The Annual Encampment of the Women's Relief Corps, Ladies of the G. A. R., Ladies Aid Society, Sons of Veterans and Daughters of Veterans, will be held at the same time, in addition to many regimental reunions. A new society, composed of civil war veterans who have been presented by the Government with medals for valiant deeds of bravery on the battle field, will be organized.

On Thursday the Grand Army parade will equal in interest any previous efforts of the Old Boys in Blue to "fall in line." They will march to the music of a martial band the like of which has never before been witnessed. Veterans to the number of 200 who played the life and drum on the battlefields of '61 and '65, will lead the parade, playing the popular wartime airs.

Eminent men of the State and Nation have accepted invitations to attend the encampment and participate in the camp fires and other features of the programme. The railroads have given a rate of one cent a mile, and ample accommodations have been made to lodge and feed the visitors at moderate rates.

COUNCIL PROCEEDINGS.

Council met in regular session. Present Mayor and Clerk, Hollenbeck, Meeker, Neiderhouse and Peck. Absent Davis and Williams.

Sidewalk committee was instructed to put in a sawed stone sidewalk intersection at alley north side of Indiana avenue between Locust and Elm streets. By unanimous vote the Street committee was authorized to purchase 4000 feet of Oak plank.

Repairs were ordered for Grassy creek bridge.

Frederick A. Averill was appointed a member of the Board of Managers of Way Library for 5 years to fill vacancy, Mr. Eberly's term having expired.

P. H. Dickson of Maumee made application for license to peddle bread in Perrysburg. Referred to Judiciary committee.

Petition was presented signed by abutting property owners requesting ditch on west side of Louisiana avenue from Indiana avenue to a point 24 blocks east be tiled and ditch filled up with dirt from Louisiana avenue when said street is improved. Petition was granted and ordered filed, details of work to be agreed upon later.

Improvement Association was unanimously granted use of Council room for their meetings.

Upon request of Mayor, council recessed for consultation regarding appointments on Board of Public Service. Upon reconvening council, Mr. Davis was also present.

The Mayor then announced his appointments for said board: T. M. Franey, who declined; then the names of N. L. Hanson, Geo. Munger, Sr., and C. L. Koch.

The appointments were made singly and confirmed by council in like manner, each appointment receiving the unanimous vote of all councilmen.

Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Texas: "I hereby certify that Chamberlain's Colic and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by Bowers & Comstock, druggists.

ANNUAL COMMENCEMENT

Perrysburg High and Eighth Grades Exercises Highly Interesting.

Another class has completed the course of study in the High school of this place and has stepped out into the world to commence the great work of the future.

The senior class this year numbers but four members—two young men and two charming young ladies—all of whom have been excellent students and worthy the honor conferred upon them by being awarded High School diplomas.

The stage was decorated in a very artistic manner, bunting of the class colors, gold and white, being used in festoons. The class motto in Latin was displayed on the right, and the same in German adorned the left of the stage.

Seated upon the stage were the members of the class, Superintendent Stinebaugh, Miss Woodward principal, and Miss Young, assistant, and Mr. Koch, President of the Board.

For the first time in many years the programme was made up entirely of home talent—the music being furnished by an orchestra of the town, composed of Messrs. Will Charles, cornet; Chester Chappell, trombone; Leon LaFarree, clarinet; Miss Helen Bowers, pianist; and A. C. Fuller, violinist and director. The music was all new and recent compositions and rendered in a manner that was highly pleasing to the large audience that manifested its appreciation by enthusiastic applause.

As usual a large audience was present to witness the closing scene in the High School life of this class, and the programme for the occasion was of unusual interest and excellence.

After the opening musical number by the orchestra, Rev. Lowry of the Presbyterian church offered prayer and asked for the blessing of an all wise Providence upon the pupils, the public schools and the occasion.

The first oration was by Thomas James Tonkin, who selected for his subject, Progress Towards Equality, and handled the subject in an able manner.

Following the oration the orchestra's selection was University of Pennsylvania Band March, which was well received by the audience.

The subject of Miss Genevieve Meyers's oration was The World a Menagerie, and she proved very conclusively that she had given much thought to the subject which was treated in a manner that won commendation from the audience.

Carolina Chimes was the next musical number by the orchestra, which was followed by Miss Grace Matthew's oration upon Undercurrents. She had evidently given much thought to the subject and very plainly demonstrated the great influence of the Undercurrents in the affairs of the world.

The Regimental Review March by the orchestra preceded Joseph H. Rossbach's Class Will, which was very interesting and was well delivered.

The presentation of diplomas by Charles L. Koch, the President of the Board of Education, was the next and very important feature of the programme—an event that had been anticipated by the members of the class for many years past. Mr. Koch spoke as follows:

Members of the class of 1905, I salute you.
Mr. Superintendent and friends:
The final ceremony of your twelve years of study and effort is at hand, and in accepting the privilege of presenting to you the diplomas of graduation, I feel that I am presenting to you the fruits of your labor.

Torture of a Preacher.

The story of the torture of Rev. O. D. Moore, pastor of the Baptist church of Harpersville, N. Y., will interest you. He says: "I suffered agonies, because of a persistent cough, resulting from the grip. I had to sleep sitting up in bed. I tried many remedies, without relief, until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which entirely cured my cough, and saved me from consumption." A grand cure for diseased conditions of Throat and Lungs. At Bowers & Comstock's, druggists; price 50c and \$1.00, guaranteed. Trial bottle free.
